Amendment B

NOV 03 2006  
U.S. appl. no. 10/565,606  
Atty. ref. 0-010527USWZFN

REMARKS

Original claims 1-21 were replaced with new claims 22-41 in the Preliminary Amendment filed previously. In that Preliminary Amendment, certain of the dependent claims unintentionally were shown as depending from canceled claim 1. The instant amendment corrects this dependency issue.

Entry of this amendment will not result in any change in the number of independent claims or the number of total claims, so no fee is believed necessary for its consideration and entry.

Favorable consideration and entry of these amendments is respectfully requested.

Questions about this amendment or the application in general can be directed to the attention of the undersigned.

Respectfully submitted,

David G. Burleson, Reg. No. 38,090
